2 YEARS LIMITED WARRANTY

In the unlikely event that a problem occurs with your luggage as a result of a defect in materials or workmanship, we will repair your bag (or replace it, if repair is not possible) at our expense. The MODO warranty covers defects in materials and workmanship but does not cover wear or damage caused by abuse, mishandling, accidental damage, inappropriate selection, or carelessness caused by an airline or other common carrier. In the course of normal handling, your luggage may suffer abrasions, minor cuts, zip damage, scratches, dents or soil. Certain component parts such as wheels, bumper feet, leather, etc., will show wear. This wear is not covered under the warranty.

MODO will provide prompt refurbishment services at a nominal cost. This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state. Note: Please examine your luggage carefully for damage before leaving the airport and immediately report any damage to the baggage service center of the airline on which you traveled.

DAMAGE CAUSED BY THE AIRLINE IS THE AIRLINE'S RESPONSIBILITY AND MUST BE CLAIMED TO THE AIRLINE AT THE TIME DAMAGE OCCURS.

By not following this procedure, you risk that the damage will not be covered under airline policy or MODO warranty.

If you have any questions about your luggage, or need repair service, contact our Customer Service at infoline@roncato.com
